Hi all,

Per Sarvy's request attached is a kmz and below a screen shot of our meeting location at 11 a.m. on Monday. Look forward to seeing everyone. It can be very cold and windy at the ranch this time of year and we will be doing some walking as the roads have been decommissioned, so please come prepared for that!

Nate

Hi Sarvy,

11am is doable for me. Also, I should be able to meet as early as 10am, if that helps scheduling. I'll be driving from San Diego and am anticipating about a 3-hour drive up.

Great! Sounds like we are all on board for Monday December 12th from 12-2! Thanks Shannon, Sarvy, and Warren. Let's plan on Monday the 12th from 12-2 for the as-built site visit for Area E. Warren, if you would like to tour the rest of the Bank we can do so either before or after the as-built meeting, just let me know what works for you.

Thanks all,

Nate

I hope all is well and that you had a great Thanksgiving break.

We are happy to announce that construction at the Munz Dam restoration site in Area E of the Petersen Ranch M.B. is complete and we will be submitting as-builts later this week (See attached 3d model of the before and after condition for a preview). Per the BEI, the release of the construction security and second credit release are dependent on submittal of the as-builts as well as a site visit by the IRT. We would like to schedule a site visit in the next two weeks to show you the completed work and to get the construction security released before the end of the year.

If you are able to attend a site visit the week of December 5th or the week of December 12th please let me know the dates that you are available.
